

Do you spend long hours ON YOUR FEET and suffer from painful VARICOSE or SPIDER VEINS?

Your solution is here:
Dr. Traurig's "Standing Strong" Vein Treatment.

Whether you work in retail or healthcare...construction or cosmetology, the bottom line is that standing on your feet all day is hard on your body. It can also contribute to painful and unsightly varicose and spider veins. While you may not be able to change careers, with Dr. Traurig's help, you can eliminate problem veins and enjoy healthier and more attractive legs.

Through his "Standing Strong" treatment, Dr. Traurig addresses the unique health needs of patients who spend long hours on their feet. He offers innovative solutions for vein issues, delivered with the compassionate and personalized care you deserve.

5 reasons to choose Dr. Traurig's "Standing Strong" treatment:

- 1 **Unparalleled expertise** – You'll be cared for by the most experienced and highly trained vein specialist in the region.
- 2 **FREE vein screening** – Pinpoint the source of your vein issues and get expert treatment recommendations.
- 3 **The most advanced treatments** – Including sclerotherapy (injection) therapy and Endovenous Laser Ablation (EVLA) with Dr. Traurig's state-of-the-art Cool Touch Laser. NO downtime, and virtually NO pain.
- 4 **Genuine care and compassion** – From a team committed to meeting your individual needs.
- 5 **Convenient appointments and in-office treatments** – Because we know you have a busy life to lead!
